

Name: _____

The price below will allow you to calculate the actual cost of the weekend including the activity options for Saturday. Let me explain the options:

All Area Ski/Snowboard Package: This package includes lift ticket, ski/snowboard rental and a lesson. There are two lesson options: Discovery Ski/Snowboard in which the skier/snowboarder progresses through stations in the school and finally is brought down the slope by an instructor. For new skiers and snowboarders, we strongly recommend this package. The other lesson option is a 1 hour refresher lesson.

All Day Tubing: This package is for those who will only do tubing for the day. The person may tube from opening to closing using this ticket.
